

After a string of sell out shows on both sides of the border, Against the Wind: The Ultimate Bob Seger Experience is here!

ATW's unique and gritty "Heartland Rock" performances take the audience on a journey through the decades long career of Bob Seger. With a set list peppered with every hit, fans are swept away by both the band's accurate renditions, and Ty Wilson's authentic vocal portrayal of one of rock's most iconic voices. The ATW concert experience is electric. An all-star band blends the high energy songs of "Seger-Rock" with the iconic ballads that became the backdrop of so many memories, for both young and old.

This is a musical experience fans don't ever forget.
