Women Abuse
Prevention Month

02

OVERVIEW

The 13th Annual Woman Abuse Prevention Month/ Shine the Light® (STL) Campaign will begin November 1st and continue throughout the month of November. Every November, the goal is to raise awareness regarding woman abuse, and work towards prevention through community awareness and education. Our goal every year is to Windsor and Essex County and encourage communities and businesses to participate through illuminating their buildings in purple, hosting a fundraiser, or providing financial support to the campaign.

EVENTS

November 1st: Tree Lighting Ceremony

The 11th Annual Tree Lighting Ceremony will be held on **November 1** at Charles Clark Square in Windsor at 6:00pm. The 2024 honorees will feature women who will share their personal stories about domestic violence and human trafficking. Survivors will join local politicians, community partners, Executive Director of Hiatus House, Sylvie Guenther, and other staff, sponsors, and members of the public in this powerful and moving ceremony.

November 9th: Bark-in-the-Park

This event will be held inside the Lanspeary Park Hockey Rink from 11:00 PM to 4:00 PM to highlight the relationship between domestic violence and pet abuse. This free event will include vendors, entertainment, agility shows, information booths, and special appearances by Paw Patrol.

November 15th: Wear Purple Day

Wear Purple Day is a social media event where we ask community members, schools, workplaces, etc. to wear purple, post on social media, and tag Hiatus House as a way to highlight the Woman Abuse Prevention Month Campaign.

November 25th: International Day for the Elimination of Violence Against Women Flag Raising

On this day, we ask the community to light a candle and post a picture on social media, using the hashtag #WomanAbusePreventionMonth to raise awareness for violence against women. In addition, join us at 12 noon at City Hall for our Flag Raising Ceremony and proclamation highlighting this UN sanctioned day.
